

Md. Tanveer Ahmed

B.Sc Engineer (CSE)

I am a technology enthusiast and aspiring computer science grad from Bangladesh. I am seeking a position in a competitive environment that would challenge me to push my boundaries and expand my knowledge in this field of computer science. I am a problem solver and fast learner. I am passionate about learning new technologies every time. I always try to push myself beyond my level. I love to share knowledge.

LICENCES & CERTIFICATIONS

- **M001: MongoDB Basics** [↗](#)
- **M121: The MongoDB Aggregation Framework** [↗](#)
- **M320: Data Modeling** [↗](#)
- **ACM - ICPC** [↗](#)
- **M201: MongoDB Performance** [↗](#)
- **M220JS: MongoDB for JavaScript Developers** [↗](#)
- **M100: MongoDB for SQL Pros** [↗](#)

PROBLEM SOLVING ONLINE JUDGES

- **UVA Online Judge** [↗](#)
- **CodeForces** [↗](#)

LANGUAGES

- Bangla (Writing + Speaking)
- English (writing + speaking)

INTERESTS

- Exploring knowledge
- Problem Solving
- Watching Football

EDUCATION

- **B.Sc in Computer Science & Engineering**
Institute: City University bangladesh
Result: CGPA 3.46 (4.00)
Duration: 4 Years
Pas.Year: 2020
- **Higher Secondary School Certificate**
Institute: Government Science College, Dhaka
Department: Science
Result: GPA 4.10 (5.00)
Board: Dhaka
Pas.Year: 2010
- **Secondary School Certificate**
Institute: Motijheel Model High School And College
Department: Science
Result: GPA 5.00 (5.00)
Board: Dhaka
Pas.Year: 2008
