Md. Tanveer Ahmed

B.Sc Engineer (CSE)

I am a technology enthusiast and aspiring computer science grad from Bangladesh. I am seeking a position in a competitive environment that would challenge me to push my boundaries and expand my knowledge in this field of computer science. I am a problem solver and fast learner. I am passionate about learning new technologies every time. I always try to push myself beyond my level. I love to share knowledge.

60/2/2,Flat-A1; Nayapara, Meradia , Dhaka, Bangladesh

BASIC SKILLS

- Programming Languages: C, C++, javascript
- Web Technologies: html, css, javascript, Material UI, Tailwind CSS, ReactJS, NodeJs, expressJs
- Database: MongoDB, Mysql
- OS: Linux, Windows

PROJECTS

Fake-Api-Shop
Technology: Reactjs,MaterialUI,TailwindCss
Github Link: https://github.com/TanveerCU/Fake-Api-Shop
Live Link: https://fakeapishop.netlify.app/

Dashboard
Technology: Reactjs,MaterialUI,TailwindCss,Rechart
Github Link: https://github.com/TanveerCU/dahsboard
Live Link: https://dashboardtanveercu.netlify.app/users

My Portfolio
Technology: html,css,javascript
Github Link: https://github.com/TanveerCU/my-portfolio
Live Link: https://tanveercu.github.io/my-portfolio/

JS Car Game
Technology : javascript,html,css
Github Link : https://github.com/TanveerCU/js-car-game
Live Link : https://tanveercu.github.io/js-car-game/

BD Travels
Technology : bootstrap-4,html,css,jquery
Github Link : https://github.com/TanveerCU/BD-Travels
Live Link : https://tanveercu.github.io/BD-Travels/

MERN Auth
Technology: MREN, MaterialUI,Tailwindcss
Task: Authenticate with email,google,github,facebook
Github Link: https://github.com/TanveerCU/MERN-AUTH

MERN Project-Management
Technology: MREN, MaterialUI,Tailwindcss
Github link: https://github.com/TanveerCU/MERN-project-management-task

To Do List
Technology : ReactJS
Github Link : https://github.com/TanveerCU/react-note
Live Link : https://tanveercu.github.io/note

Weather App
Technology : ReactJS
Github Link : https://github.com/TanveerCU/weather-app

PSD to Html
Technology : html,css,javascript,jquery
Github Link : https://github.com/TanveerCU/cuda-psd-html
Live Link: https://tanveercu.github.io/cuda-psd-html/

Bangla Licence Plate Detection & Recognition Using ANN
Technology: ML, DL, Keras, Python
Github Link: https://github.com/TanveerCU/Bangla-Licence-Plate-Detection-Recognition

EXTRA CURRICULAR ACTIVITIES

- I had participated in ACM ICPC -2019 (International Collegiate Programming Contest)
  Credential link: https://icpc.global/ICPCID/AE0PHHSYNJA7

- I had participated in City University IUPC - 2017 (Intra university programming contest)

PROBLEM SOLVING ONLINE JUDGES

- UVa Online Judge Link: https://uhunt.onlinejudge.org/id/670710

- Codeforces Online Judge Link: https://codeforces.com/submissions/tanveer00L

LANGUAGES

- Bangla (Writing + Speaking)
- English (writing + speaking)

INTERESTS

- Exploring knowledge
- Problem Solving
- Watching Football

EDUCATION

- **B.Sc in Computer Science & Engineering**

  Institute: City University bangladesh
  Result: CGPA 3.46 (4.00)
  Duration: 4 Years
  Pas.Year: 2020

- **Higher Secondary School Certificate**

  Institute: Government Science College, Dhaka
  Department: Science
  Result: GPA 4.10 (5.00)
  Board: Dhaka
  Pas.Year: 2010

- **Secondary School Certificate**

  Institute: Motijheel Model High School And College
  Department: Science
  Result: GPA 5.00 (5.00)
  Board: Dhaka
  Pas.Year: 2008
